Marketing Assistance Scheme

The Marketing Assistance Scheme is meant for individual crafts-persons, beneficiaries of NMDFC as well as SHGs and is implemented through the SCAs. With a view to support the crafts-persons to promote marketing & sale of their products at remunerative prices, NMDFC assists the SCAs in organizing State / District level exhibitions at selected locations. In these exhibitions, handloom/handcraft products of crafts-persons belonging to Minority communities are exhibited and sold. Such exhibitions also serve the purpose of organizing “buyer-seller meet”, which is considered very useful for product development and market promotion, for domestic market as well as for exports.
Awareness Camps-cum-Loan Melas

For creating awareness about schemes of NMDFC amongst the target groups, SCAs organise Awareness Camps-cum-Loan Melas in Minority Concentrated areas/pockets especially in far flung rural areas. During such camps, the participants are made aware about schemes of NMDFC and are helped to fill up application forms. The filled up application forms are collected for further scrutiny. Loan is distributed to beneficiaries selected earlier. Success stories of beneficiaries is also shown to the participants to motivate them to avail assistance under the schemes of NMDFC.
